### Annual General Meeting

31<sup>st</sup> October 2013

#### Apologies

Vaughan Humphries, Stuart Sloan, Sandra Rumens, Julie West, Alison Champken Woods.

#### Chairman's Report

The club has had a very successful year with many members taking part in events. Our major purchase this year was the new club website, which you can access to view our Newsletter, the Oily Rag, regalia and much more. The committee have met on three separate occasions this year to review how things are going. For 2014 the dates for the two residential trips will be transposed, UK tour – May 2014 and the French trip – October 2014. The committee discussed this idea and felt it would be a good idea to see if it would encourage different members to attend. We feel as a committee we will try this idea for 2014 and will review at the end of 2014.

#### Treasurer's Report

The club has a healthy amount of money in the bank and this year we have made a steady profit. This year's only real expense was hi Visibility jackets for the organisers to wear at the shows. Birds of prey guest speaker and the usual running costs of ink, stamps and postage. The committee felt the subscription fee for 2014 will remain at £10.00.

#### Secretary's Report

The secretary hoped all members are happy with the newsletter. The cost has gone down with regards to the newsletter as more members are having the newsletter via e-mail.

#### Membership Secretary's Report

Club membership has continued between 60-70 households. With partners, 120-140 people who are associated with the club. An additional 20 members would add vigour and improve subscription income. We now have fantastic membership cards too.

#### UK Tours Secretary and Oily Rag Editor

Nigel has continued to organise the UK tour and for 2014 we have the black mountains tour Usk, south Wales. Nigel did a sterling job with the Dambusters tour with 15 cars taking part; let's hope he can top it with this one. Oily rag material needed to go onto the website.

#### Overseas Tours Secretary

The spring trip to Lille. Ten cars went. The weather was a bit cool and damp, but a good time was had. There were a few problems with cars, with one switch and an onward journey abandoned. Well done

Angela for organising this event, Angela is currently organising the next trip, with already 10 members interested.

### Regalia Manager's Report

### 2014 New Year Dinner /Dance

We will have a live band along with a three course meal, ticket prices will be announced at the next club meeting and please let us know if you will be joining us.
